

**Remarks:**

The applicant originally filed a substantially identical response by facsimile on March 21, 2003, and again on July 23, 2003 and October 7, 2004, the receipt of all responses being confirmed by the PTO by auto-reply facsimile transmission. Only the response of October 7, 2004, appears to have been processed by the PTO. The October 7, 2004 response was found to be non-compliant in the Notice of Non-Compliant Amendment mailed April 12, 2005, despite the fact that it would have been compliant under the rules when it was originally filed. This response is substantively the same as the response filed on March 21, 2003. However, this version includes the correct claim status identifiers as now required by the PTO.

The applicants wish to thank the Examiner for the indication that claims 44, 46, and 47 (as renumbered) have been allowed. By this paper, rejected claims 28-43 and 45 have been cancelled.

New claims 48-69 depend from claims that the Examiner has indicated are allowable, but otherwise are identical to the cancelled dependent claims 29-35, 37, 38, and 40-43. Because the new claims depend from allowed claims 44, 46, and 47, they are likewise believed to be allowable.

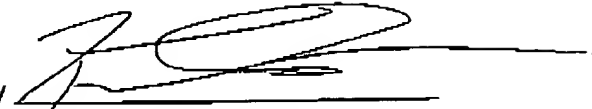

A Notice of Allowance is respectfully requested. If there are any issues remaining to be discussed, the Applicants invite the Examiner to contact the undersigned so that the issues may be resolved as quickly as possible.
